

BAILDON CRICKET CLUB

Changing and showering policy

For players under the age of 18 playing in adult teams, the following policy applies.

Adults will not change, or shower, at the same time using the same facility as children

Adults will try to change at separate times to children during matches, for example when children are padding up

If adults and children need to share a changing facility, the club must have consent from parents that their child(ren) can share a changing room with adults in the club

Mixed gender teams must have access to separate male and female changing rooms

Mobile phones must not be used in changing rooms

If children are uncomfortable changing or showering at the club, we suggest they change and shower at home.

We recommend that even for home games, players arrive and go home in whites where appropriate.
